Administrative history / Biographical sketch

Note

The Canadian Science and Technology Historical Association was established in 1980 to promote an interest in the scientific and technological heritage of Canada, through production of a scholarly journal, *Scientia Canadensis*, and the sponsoring of biennial conferences. Its membership is largely drawn from the fields of academe and government.

Scope and content

The fonds consists of general correspondence of the Canadian Science and Technology Historical Association, 1980-1992, as well as material relating to the biennial Kingston conferences, including invitations, agendas, programmes, correspondence, financial material, and copies of some of the papers delivered.
