Administrative history / Biographical sketch

Note

Victor Albert (Tommy) Thompson was born in England in 1920 and moved to Canada in 1947 with his wife, Isobel Allen. After his retirement in 1985 he attended York University (Toronto, Ontario) as a full-time student from 1986-1994, obtaining both his BA and MA in history. His MA thesis was based on the People or Planes (POP) Committee's efforts to stop the Pickering airport. Thompson and his wife were personally involved with POP, Isobel as Publicity Director and Tommy as Vice-Chairman of the organization.

Scope and content

Fonds consists of correspondence, reports, People or Planes (POP) Committee organizational files, and environmental and agricultural files related to efforts to stop the establishment of the proposed Pickering airport by the federal government.
