Summary information

Repository: York University Archives & Special Collections (CTASC)

Title: York University Pollution Probe fonds

ID: F0026

Date: 1969-1973 (date of creation)

Physical description: 85 cm of textual records and other material

Administrative history / Biographical sketch

Note

Pollution Probe is an education and advocacy group that began in Canada in 1969. The York University chapter was organized in 1970. It had a research and advocacy agenda pertaining to the local region in addition to the national agenda of the organization.

Scope and content

The fonds documents the activities of the York University chapter of Pollution Probe for the period 1969-1973. It includes correspondence with members and the central organization, some financial records, reports, subject files, newsletters from other Pollution Probe chapters, newspaper clippings, photographs and posters.

Notes

Title notes

Immediate source of acquisition

Transferred in October 1974.

Restrictions on access

Access is open.

Accruals

The fonds includes material from the following accrual: 1974-026. Further accruals are expected.
